## West O‘ahu/Farrington Highway Guideway Contract

---

### Kiewit Field Work Roadwork and Traffic Update Week of August 7, 2011

#### **Traffic Impacts:**

- Crews will be working along Farrington Highway between Ala Ike Street and Kualakai Parkway (North-South Road). Work will consist of:
  - Equipment mobilization within the Farrington Highway median between Leokane Street and Leoku Street.
- Crews will be working along the median of Farrington Highway between Mokuola Street and Kahuali‘i Street trimming and relocating trees.
- Beginning August 5, 2011 work will require a full closure of Farrington Highway between the two intersections at Old Fort Weaver Road loop.

#### **Farrington Highway, H-1 and City Streets Traffic Plan:**

- Work will require lane closures during the day from 8:30 a.m. to 3 p.m. with shoulder and median work signage/cones along the side of the road to mark the work area.
- One lane of traffic in each direction along Farrington Highway will remain open.

#### **Detour Traffic Plan:**

- The Farrington Hwy. detour to Old Fort Weaver Road Loop will continue to be in use from 8:30 a.m. to 3 p.m. Monday - Friday. The detour will route traffic onto Old Fort Weaver Road from both directions, passing through a stop-controlled intersection. Appropriate signs will be displayed to notify motorists in advance and an off-duty police officer will be at the intersection during peak hours.

## West O‘ahu/Farrington Highway Guideway Contract

---

### **Summary:**

Kiewit Infrastructure West Co., awarded the contract for the first 6.5-miles of the Honolulu Rail Transit Project, is continuing to prepare for construction with work along the project route from East Kapolei to Pearl City. The City and County of Honolulu issued a notice to proceed to Kiewit for the relocation of utilities, design and pre-engineering activities in East Kapolei and along Farrington Highway in Waipahu. During this work, crews will be working on Kamehameha Highway and Farrington Highway between Acacia Road and Kualakai Parkway (North-South Road) along the median and shoulder lanes. Kiewit continues safety, public information and environmental training for all Kiewit staff, craft, subcontractors and consultants related to the project. Kiewit and the City continue with community relations efforts by keeping the public informed of lane closures and possible impacts.
